

## Week 4

### **Acts 17:24-27. God's Boundaries.**

God appoints the times and boundaries of each nation for the purpose of men to seek Him, touch Him and find Him. Even though He is not far from us, we are to seek Him with the intent that we will touch and find Him.

"The God who made the world and all things in it, since He is Lord of heaven and earth, does not dwell in temples made with hands; nor is He served by human hands, as though He needed anything, since He Himself gives to all people life and breath and all things; and He made from one man every nation of mankind to live on all the face of the earth, having determined their appointed times and the boundaries of their habitation, that they would seek God, if perhaps they might grope for Him and find Him, though He is not far from each one of us;"
