

Week 22

Genesis 1:26-28. The Authority of the Family.

The greatest ruling authority in the earth is the family unit. God blessed the marriage—the male/female union—and instructed them to create families throughout the earth. He gave them authority to rule. God forgive us for abdicating the responsibilities and authority You've given to the marriage and family unit.

"Then God said, "Let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea and over the birds of the sky and over the cattle and over all the earth, and over every creeping thing that creeps on the earth." God created man in His own image, in the image of God He created him; male and female He created them. God blessed them; and God said to them, "Be fruitful and multiply, and fill the earth, and subdue it; and rule over the fish of the sea and over the birds of the sky and over every living thing that moves on the earth."
